A list of the services we provide to you in addition to other pertinent information are stated in Appendix A to G, attached to this document.

2 Insurance Broking

- 2.1 We will negotiate with insurers on your behalf and will keep you informed of any significant developments.
- 2.2 We are independent of insurers, and are not bound to use any particular insurer. We will advise you of those with whom we propose placing your insurance and will also advise you of any change of insurers after the insurance has been placed. Unless you advise us to the contrary, each insurer with whom we place your insurance will be deemed acceptable to you.
- 2.3 The selection of insurers and insurance policies is done on the basis of obtaining the most appropriate policy coverage for you at a competitive market premium.
- 2.4 We may enter into an agreement with an insurer to arrange insurance and settle claims on its behalf. We will inform you when we act for an insurer and not for you.
- 2.5 You understand that we will use all reasonable precautions in choosing an insurance company(ies) and will advise you of their claims paying rating where required under the Insurance (Prudential Supervision) Act 2010. You understand that we cannot guarantee the financial status of any company and we do not accept any liability due to the failure of any insurance company. Financial strength ratings of the selected insurer will be provided. Hurford Parker only uses insurers that have attained an A- or higher rating. Financial strength ratings are contained in the appendices for reference.
- 2.6 We will hold review meetings with you as and when required with a minimum annual review period. At those meetings we will report on matters relating to the insurance programme and will gather information regarding any changes in your business that could affect your insurance. Meetings may be conducted remotely via phone or email correspondence.
- 2.7 Further details of the Insurance Broking and Financial Services service is provided in Appendix A.

3 Insurance Claims Service

- 3.1 We are committed to achieving the best outcome for you from every claim on policies arranged or reviewed by us during our appointment.
- 3.2 We will:
 - Assist you with the preparation of claims
 - Act as your advocate in negotiations with insurers or their legal advisors
 - Regularly review and pro-actively manage your claims
 - Provide you with records and analysis of claims as required.
- 3.3 Further details of the claims process are contained in Appendix E.

4 Your Co-Operation and Disclosure of Information

- 4.1 To perform our service efficiently, we will need your co-operation, particularly the timely provision of accurate information. You authorise Hurford Parker to act on your behalf in conducting negotiations with insurers and lenders.
- 4.2 We will rely on you to advise us of any change in your personal or business circumstances that might affect your insurance or lending programme. This may include acquisitions, disposals, mergers, sale of principal assets, or material changes to business operations, or changes to personal and financial situation
- 4.3 For all personal risk and business insurance applications, you will be required to complete an application/proposal form and provide detailed information on your current health and medical history. It is essential that this information provided by you is accurate and complete. While we will assist you with the completion of proposals and other forms of application for insurance, we cannot accept responsibility for the accuracy of their contents, nor can we sign the insurance proposals on your behalf.
- 4.4 After receiving your insurance documents from us, you should read and check them, then advise us promptly of any discrepancies or anything that does not meet your expectations.
- 4.5 While we may prepare underwriting information on your behalf, the legal obligation to disclose all material facts rests with you. You must tell Hurford Parker Insurance Brokers Limited, before each policy starts and renews, about anything a prudent insurer would want to consider when deciding whether to insure you, and if so, on what terms. Please provide this information to us. If you do not provide us with full information, we cannot properly advise you and you could breach your duty of disclosure.
- 4.6 Should a circumstance or event occur which could result in making an insurance claim, you should advise us of the details immediately. Failure to advise such actual or potential claims may prejudice your rights under an insurance policy.
- 4.7 Financial advisor disclosure statements will be provided when the scope of advice to be given becomes known, and when the advice is given, and it is publicly available on our website and if a complaint is received

5 Remuneration

To provide our services to you, we utilise our knowledge and expertise to understand your business or personal circumstances, assess the risks, and negotiate and place insurance on your behalf. As a result, we may receive commissions from insurance companies whose products we recommend. Payments from commissions are our main source of income.

5.1 We receive commission (brokerage) when you, the client, accepts our financial advice and purchases an insurance policy. The commission is paid to us by the insurer (product provider) based on each insurance policy that you purchase. This includes renewal and policy alterations. The commission only applies to the company premium and natural disaster premium portion of the total premium and excludes fire emergency levies, Earthquake levies and other government charges. This will range between 0% to 25%.

For specialist insurance including insolvency insurance and travel insurance, insurers pay us between 0% to 35% commission.

Please refer to Appendix B for a full breakdown of commission rates per insurer.

5.2 Where we are not paid brokerage by the insurer, we may alternatively include a similar amount within the policy charge shown on the invoice.

5.3 To enable us to provide you with a high level of service we will also charge you a Broker Service Charge. This charge is for our expenses associated with our service, placement, implementation, issuing certificates, invoices and providing administration of the insurance policies. The Broker Service Charge is included within the policy charge shown on your invoice.

Personal Lines:

A maximum Broker Services charge of \$65.00 + GST per policy invoice will apply to personal lines, such as house, contents, private motor vehicle, pleasure craft, travel, contract works and marine transit policies.

Rural Lines:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under “Terms of Business and Important information”. If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

Commercial Lines:

We have categorised this into two premium bands: \$10,000 and under and \$10,001 and over.

\$10,000 and Under:

A maximum of 7.5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under “Terms of Business and Important information”. If we are to charge more than the maximum 7.5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

\$10,001 and Over:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

For endorsements throughout the renewal period a \$30.00 + GST minimum Broker Service charge will apply per policy invoice. Sometimes we will charge up to the maximum percentage of company premium and/or natural disaster premiums as declared above for the endorsement due to the complexities or time spent working through the endorsement.

5.4 Soft Insurance Market:

We may charge higher than our Standard % Broker Service Charge where negotiated premiums have been reduced at renewal. This is because we have spent time negotiating reduction in premiums and in order to offer the same level of Service we may charge a higher Broker Service Charge to offset the lost Commission from the insurers due to reduction in premiums (we are paid a percentage of the premium as Commission from insurers and due to reducing premiums our commission received has reduced). The dollar amount is shown in your correspondence under "Terms of Business and Important information".

- 5.5 If we arrange a loan to pay the premium we may earn remuneration or dividends for doing so.
- 5.6 Our remuneration may include investment income earned from premium payments before they are forwarded to the insurer. This is permitted by the Insurance Intermediaries Act 1994.
- 5.7 In addition to the fees and brokerage that we receive, we may negotiate additional fees for our services in relation to a claim which is complex or contentious and where our time exceeds 10 hours.
- 5.8 We are responsible for collecting associated Government Levies at the same time as insurance premiums. This can include Natural Hazards Commission (NHI) and Fire Emergency Levy (FEL), in addition to Goods and Service Tax (GST). We do not receive any remuneration for collecting these levies.

Financial Services:

- 5.9 Analysing the suitability of the provision of products and/or services to you and providing a financial service to you in the form of a Statement of Advice and all associated documents is given as a service.
- 5.10 There is no cost to you in respect of our services. We are paid by the insurance company in the form of commission. This is between 120% and 220% of the annual premium (minus fees & levies) for life and protection products and between 30% & 50% for health products. We will also receive ongoing commission of 10% & 30% for the life of the product(s) placed and 5% & 15% for health products.

Please refer to Appendix B for a full breakdown of commission rates per insurer.

Hurford Parker Insurance brokers may charge a fee for the financial advice provided should you cancel your life or health within 2 years of the policy being put in place. What the fee will be will be discussed when the advice is provided to the client. This fee will be payable by the client by the 20th of the month after cancellation.

6 Payment of Premiums and Cancellations

General Insurance:

- 6.1 The premium and any fee should be paid to us in full. We do not provide any credit and the full amount is due to us immediately upon receipt of our invoice. We are required to pay your insurer within a specific time frame. If we are unable to do so because we have not received the premium from you, we are required by the Insurance Intermediaries Act 1994 to advise the insurer of this in writing within seven (7) days. The insurer may then issue a notice of cancellation of the policy in accordance with the policy terms because of the non-payment. Although the time frame varies from policy to policy, the insurer usually allows Thirty (30) days for the premium to be paid before the policy comes to an end.
- 6.2 You have the option to pay your premiums spread over Ten (10) monthly payments for Commercial Insurances or over Twelve (12) monthly payments for Domestic Insurances by entering into a loan agreement contract with Advantage Premium Funding Limited or another Premium Funding company as arranged by us. Full details of the loan contract and terms and conditions will be provided to you prior to the loan being established. Failure to meet loan repayments may result in your contract of insurance being cancelled.
- 6.3 If an insurance policy is cancelled before expiry by you, we will pay to you any premium refunded by the insurer, less any outstanding remuneration and/or fee you owe us. We may retain any remuneration already received on downward premium adjustments or for a policy cancellation.
- 6.4 Hurford Parker Insurance Brokers Limited accepts no liability for losses arising as a result or consequence of the cancellation of insurance due to non-payment of premium.

Financial Services (Personal and Business Risk):

- 6.5 All premium payments for Financial Services (Personal and Business Risk insurance) are paid directly to your insurer via the payment method selected at policy application.
- 6.6 We do not handle any payments in respect of Financial Services policies, but can assist you in facilitating changes to your payment methods with your insurer.
- 6.7 If you fail to pay your premium you will be notified directly by your insurer and we may also contact you to discuss. Non-payment of premiums will result in the insurer terminating your contract of insurance.
- 6.8 Hurford Parker Financial Services Limited accepts no liability for losses arising as a result or consequence of the cancellation of insurance due to non-payment of premium.
- 6.9 If you wish to cancel your insurance this must be confirmed in writing to your insurer. We can assist you in facilitating the cancellation process.
- 6.10 All cancellation authorities must be signed by all policy owners otherwise the policy will remain in force.
- 6.11 We cannot terminate your insurance on your behalf

That decision must be made and communicated to the individual concerned within 20 days of the date on which the request for access was received.

Refusing access to personal information:

A request for access may be declined if the information concerned is evaluative or opinion material.

If a request for access to personal information is declined, the individual who made the request must be given, in writing, the reason or reasons for the refusal. An explanation of the reason or reasons should be given if requested. The person who made the request must be told that the refusal may be reviewed by the Privacy Commissioner or an Ombudsman.

Correcting personal information:

An individual or representative of a company who is a client, who believes that any personal information about them is not accurate may ask for the information to be corrected.

The request for a correction should be made in writing and specify the change or changes that the individual or representative wishes to have made. The request should be made directly to the person who holds the information – Jeff Parker or William Parker for employees and the broker for Clients.

If warranted, the requested correction will be made.

If correction is considered to be unnecessary or unwarranted, the individual must be advised accordingly. The individual or representative may then ask for the requested correction to be attached to the information concerned, so that it is visible whenever others have access to the information.

Procedure for making complaints of interference with privacy:

Employees and others may complain to *Us* that there has been interference with their privacy, and that this has caused them loss or damage, adversely affected their rights or interests, or resulted in significant humiliation, loss of dignity or injury to their feelings.

As an alternative, under the Privacy Act, complaints may be made to the Privacy Commissioner or an Ombudsman.

Employees and others who wish to complain that there has been interference with their privacy should first approach the person responsible for the alleged breach.

If that is not possible or appropriate, or the outcome of the approach does not satisfy the complainant, the complaint should be made again to Jeff Parker or William Parker for employees and the broker for Clients. The complaint may be made in person or in writing.

We aim to investigate and resolve any complaint speedily and informally if possible.

Employees and others who wish to make a formal complaint that there has been interference with their privacy should set out in writing the details and circumstances of the alleged interference and deliver it to Jeff Parker or William Parker for employees and the broker for Clients.

The appropriate person will investigate the complaint as quickly as possible. The complainant, who may have the support or assistance of a representative or other person(s) chosen by the employee, will have the opportunity to contribute to the investigation.

The investigation will aim to achieve speedy resolution or satisfaction of the complaint. If that is not possible, and the complaint is upheld by the investigation, the matter may become the subject for training, counselling or disciplinary action.

The complaint and the outcome of the investigation are to be recorded and included on the employee's personal file or in the Clients file.

We will also receive ongoing commission of 10% and 30% for the life of the product(s) placed and 5% and 15% for health products.

We may charge a fee for the financial advice provided should you cancel your life or health within 2 years of the policy being put in place. NZbrokers Management Limited:

Hurford Parker Insurance Brokers Limited are a member of NZbrokers Management Limited. NZbrokers Management Limited provides services such as IT, education, training, technical insurance product and claims support and group member benefits to us. When a client accepts our financial advice as their adviser and purchases a policy, NZbrokers may receive a service fee or technology fee from the Product Provider.

What fees do we charge?

We may charge client fees for financial advice. We will tell you what the fee is before you accept any advice from us or our Advisers. We will charge fees that are payable by you the client when our advice is followed, accepted and the insurance policy is purchased. The fees we charge are for our service, placement, implementation and administration of the insurance policies that you choose to accept and purchase. The total fees payable may increase with the number of insurance policies that you choose to purchase.

The fees are payable by you and are due by the effective date of the policy which is on the invoice.

Personal Lines:

A maximum Broker Services charge of \$65.00 + GST per policy invoice will apply to personal lines, such as house, contents, private motor vehicle, pleasure craft, travel, contract works and marine transit policies.

Rural Lines:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

Commercial Lines:

We have categorised this into two premium bands: \$10,000 and under and \$10,001 and over.

\$10,000 and Under:

A maximum of 7.5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 7.5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

\$10,001 and Over:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

Endorsements:

For endorsements throughout the renewal period a \$30.00 + GST minimum Broker Service charge will apply per policy invoice. Sometimes we will charge up to the maximum percentage of company premium and/or natural

disaster premiums as declared above for the endorsement due to the complexities or time spent working through the endorsement.

Soft Insurance Market:

We may charge higher than our Standard % Broker Service Charge where negotiated premiums have been reduced at renewal. This is because we have spent time negotiating reduction in premiums and in order to offer the same level of Service, we may charge a higher Broker Service Charge to offset the lost Commission from the insurers due to reduction in premiums (we are paid a percentage of the premium as Commission from insurers and due to reducing premiums our commission received has reduced). The dollar amount is shown in your correspondence under "Terms of Business and Important information".

For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

The commission is paid by the Insurer (product provider's) for the insurance business on each insurance policy that the Client purchases. **The commission is paid to us and can be between the range of 0-30% of the insurer portion (total premium of the Insurance Policy less government levies and taxes).**

For Life/Personal Risk Insurance, initial commission can be between the range of 120% and 220% of the annual premium (minus fees and levies) for life and protection products and between 30% and 50% for health products. We will also receive ongoing commission of 10% and 30% for the life of the product(s) placed and 5% and 15% for health products.

Hurford Parker Insurance Brokers may charge a fee for the financial advice provided should you cancel your life or health within 2 years of the policy being put in place. What fees do we charge?

We may charge client fees for financial advice. We will tell you what the fee is before you accept any advice from us or our Advisers. We will charge fees that are payable by you the client when our advice is followed, accepted and the insurance policy is purchased. The fees we charge are for our service, placement, implementation and administration of the insurance policies that you choose to accept and purchase. The total fees payable may increase with the number of insurance policies that you choose to purchase.

The fees are payable by you and are due by the effective date of the policy which is on the invoice.

Personal Lines:

A maximum Broker Services charge of \$65.00 + GST per policy invoice will apply to personal lines, such as house, contents, private motor vehicle, pleasure craft, travel, contract works and marine transit policies.

Rural Lines:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

Commercial Lines:

We have categorised this into two premium bands: \$10,000 and under and \$10,001 and over.

\$10,000 and Under:

A maximum of 7.5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 7.5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

\$10,001 and Over:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. Endorsements:

For endorsements throughout the renewal period a \$30.00 + GST minimum Broker Service charge will apply per policy invoice. Sometimes we will charge up to the maximum percentage of company premium and/or natural disaster premiums as declared above for the endorsement due to the complexities or time spent working through the endorsement.

Soft Insurance Market:

We may charge higher than our Standard % Broker Service Charge where negotiated premiums have been reduced at renewal. This is because we have spent time negotiating reduction in premiums and in order to offer the same level of Service, we may charge a higher Broker Service Charge to offset the lost Commission from the insurers due to reduction in premiums (we are paid a percentage of the premium as Commission from insurers and due to reducing premiums our commission received has reduced). The dollar amount is shown in your correspondence under "Terms of Business and Important information".

For Life/Personal Risk Insurance, initial commission can be between the range of 120% and 220% of the annual premium (minus fees and levies) for life and protection products and between 30% and 50% for health products. We will also receive ongoing commission of 10% and 30% for the life of the product(s) placed and 5% and 15% for health products.

What fees do we charge?

We may charge client fees for financial advice. We will tell you what the fee is before you accept any advice from us or our Advisers. We will charge fees that are payable by you the client when our advice is followed, accepted and the insurance policy is purchased. The fees we charge are for our service, placement, implementation and administration of the insurance policies that you choose to accept and purchase. The total fees payable may increase with the number of insurance policies that you choose to purchase.

The fees are payable by you and are due by the effective date of the policy which is on the invoice.

Personal Lines:

A maximum Broker Services charge of \$65.00 + GST per policy invoice will apply to personal lines, such as house, contents, private motor vehicle, pleasure craft, travel, contract works and marine transit policies.

Rural Lines:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

Commercial Lines:

We have categorised this into two premium bands: \$10,000 and under and \$10,001 and over.

\$10,000 and Under:

A maximum of 7.5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 7.5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

\$10,001 and Over:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. Soft Insurance Market:

We may charge higher than our Standard % Broker Service Charge where negotiated premiums have been reduced at renewal. This is because we have spent time negotiating reduction in premiums and in order to offer the same level of Service, we may charge a higher Broker Service Charge to offset the lost Commission from the insurers due to reduction in premiums (we are paid a percentage of the premium as Commission from insurers and due to reducing premiums our commission received has reduced). The dollar amount is shown in your correspondence under "Terms of Business and Important information".

For Life/Personal Risk Insurance, initial commission can be between the range of 120% and 220% of the annual premium (minus fees and levies) for life and protection products and between 30% and 50% for health products. We will also receive ongoing commission of 10% and 30% for the life of the product(s) placed and 5% and 15% for health products.

Hurford Parker Insurance Brokers Limited may charge a fee for the financial advice provided should you cancel your life or health within 2 years of the policy being put in place. What fees do we charge?

We may charge client fees for financial advice. We will tell you what the fee is before you accept any advice from us or our Advisers. We will charge fees that are payable by you the client when our advice is followed, accepted and the insurance policy is purchased. The fees we charge are for our service, placement, implementation and administration of the insurance policies that you choose to accept and purchase. The total fees payable may increase with the number of insurance policies that you choose to purchase.

The fees are payable by you and are due by the effective date of the policy which is on the invoice.

Personal Lines:

A maximum Broker Services charge of \$65.00 + GST per policy invoice will apply to personal lines, such as house, contents, private motor vehicle, pleasure craft, travel, contract works and marine transit policies.

Rural Lines:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

Commercial Lines:

We have categorised this into two premium bands: \$10,000 and under and \$10,001 and over.

\$10,000 and Under:

A maximum of 7.5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 7.5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

\$10,001 and Over:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

Endorsements:

For endorsements throughout the renewal period a \$30.00 + GST minimum Broker Service charge will apply per policy invoice. Sometimes we will charge up to the maximum percentage of company premium and/or natural disaster premiums as declared above for the endorsement due to the complexities or time spent working through the endorsement.

Soft Insurance Market:

We may charge higher than our Standard % Broker Service Charge where negotiated premiums have been reduced at renewal. This is because we have spent time negotiating reduction in premiums and in order to offer the same level of Service, we may charge a higher Broker Service Charge to offset the lost Commission from the insurers due to reduction in premiums (we are paid a percentage of the premium as Commission from insurers and due to reducing premiums our commission received has reduced). The dollar amount is shown in your correspondence under "Terms of Business and Important information".

The commission is paid by the Insurer (product provider's) for the insurance business on each insurance policy that the Client purchases. **The commission is paid to us and can be between the range of 0-30% of the insurer portion (total premium of the Insurance Policy less government levies and taxes).**

For Life/Personal Risk Insurance, initial commission can be between the range of 120% and 220% of the annual premium (minus fees and levies) for life and protection products and between 30% and 50% for health products. We will also receive ongoing commission of 10% and 30% for the life of the product(s) placed and 5% and 15% for health products.

Hurford Parker Financial Services Limited may charge a fee for the financial advice provided should you cancel your life or health within 2 years of the policy being put in place. What fees do we charge?

We may charge client fees for financial advice. We will tell you what the fee is before you accept any advice from us or our Advisers. We will charge fees that are payable by you the client when our advice is followed, accepted and the insurance policy is purchased. The fees we charge are for our service, placement, implementation and administration of the insurance policies that you choose to accept and purchase. The total fees payable may increase with the number of insurance policies that you choose to purchase.

The fees are payable by you and are due by the effective date of the policy which is on the invoice.

Personal Lines:

A maximum Broker Services charge of \$65.00 + GST per policy invoice will apply to personal lines, such as house, contents, private motor vehicle, pleasure craft, travel, contract works and marine transit policies.

Rural Lines:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$75.00 + GST per policy invoice will apply to all rural insurance policies.

Commercial Lines:

We have categorised this into two premium bands: \$10,000 and under and \$10,001 and over.

\$10,000 and Under:

A maximum of 7.5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 7.5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

\$10,001 and Over:

A maximum of 5% of the insurer company premium and/or natural disaster premium can be charged for the work that is undertaken on your behalf. For new insurance policies or renewal of existing insurance policies, the dollar amount is shown in your correspondence under "Terms of Business and Important information". If we are to charge more than the maximum 5% this will be advised to you. A minimum Broker Service charge of \$95.00 + GST per policy invoice will apply to all commercial insurance policies.

Endorsements:

For endorsements throughout the renewal period a \$30.00 + GST minimum Broker Service charge will apply per policy invoice. Sometimes we will charge up to the maximum percentage of company premium and/or natural disaster premiums as declared above for the endorsement due to the complexities or time spent working through the endorsement.

Soft Insurance Market:

We may charge higher than our Standard % Broker Service Charge where negotiated premiums have been reduced at renewal. This is because we have spent time negotiating reduction in premiums and in order to offer the same level of Service, we may charge a higher Broker Service Charge to offset the lost Commission from the insurers due to reduction in premiums (we are paid a percentage of the premium as Commission from insurers and due to reducing premiums our commission received has reduced). The dollar amount is shown in your correspondence under "Terms of Business and Important information".

How do we act with Integrity?

To ensure that I prioritise your interests above my own, I follow an advice process that ensures recommendations are made on the basis of your individual goals and circumstances. I complete annual and ongoing training about how to manage conflict of interests and a register of interests is maintained. Hurford Parker Financial Services Limited monitors these registers and provides additional training where necessary. Hurford Parker Financial Services Limited performs an annual review of our compliance programme.

You should be aware there are potential conflicts of interest that you, the Client, may need to take into consideration when you decide to seek and accept financial advice from us. I will make you aware of any conflicts when giving advice.

How can you depend on the Advice you receive?

I have not been subject to any reliability events that would influence you the client in deciding whether to seek or obtain advice from me as your Adviser.
